Hi Paula,

I don't think this information is for the Administrator's call but may be of interest to SLT:

- Libby Site Proposed Plan comment period closes Friday the 7th. Could draw more media attention.
- EPA is hosting an open house for the Columbia Falls Aluminum Facility that's currently been proposed for listing on the NPL. I've attached the public notice.

I'll let you know if anything else comes up. Thanks, Libby
